

25th March 2022

Dear Parent/Carer

Year 8 Work Shadowing 2022

As part of our careers, information, advice and guidance (CEIAG) programme at Cliff Park Ormiston Academy, we have been running a Year 8 'Work Shadowing' day for a number of years.

This year, the Year 8 'Work Shadowing' day will be taking place on **Wednesday, 18th May 2022**. This day is an opportunity for students to gain an experience of the workplace by shadowing an employee.

Students can shadow family members in their workplace or can look to organise a one-day placement with an employer of their choice. Students will be completing a number of activities after this experience as part of their Form Time programme in order to reflect upon their placement and to think about their future pathways.

In order for students to take part, they must return completed copies of the **Parental Consent Form** and **Placement Agreement Form** by **Friday 22nd April 2022** to Mrs Carroll.

With students choosing their Option subjects next year, we believe this opportunity is important as it encourages students to talk about their possible future careers as well as giving them an insight into the skills required to work with others.

If you would like any further information or have a question regarding this programme, please do not hesitate to contact either myself or Mrs Carroll.

Kind Regards

Mr Sorrento
Vice Principal
