

29th November 2024

Dear Parents / Carers,

Welcome to our weekly newsletter.

I would like to take this opportunity to thank you all for your continued support. Please see below some information about forthcoming events / dates for your diary.

Success for Sports

On Monday, 7 Year 8 students represented Cliff Park at the Norfolk Schools Team Table Tennis Championship. Both teams won and are through to the regional stage being held at Wellingborough. Well done! We look forward to following their progress.

Also, our Year 8 Netball team are still unbeaten having won their last two fixtures. Well done girls!

Focus Pouch Rollout

Our Focus Pouch continues to be very successful with the entire academy now phone free. We are proud of the way our students have responded positively and would like to thank parents for their support. A link to our Mobile Device policy can be viewed [Here](#)

Vaping

During PSHE lessons about substances, a number of children have commented on the use of vapes by young people that they know. With this in mind, we wanted to raise awareness for parents. Vaping is not for children and young people. Their developing lungs and brains mean they are more sensitive to its effects.

If you find a retailer selling either nicotine vapes or tobacco products to under-18s, you can [report a retailer to local authority Trading Standards](#) via the Citizens Advice online portal.

Student Absence

We have a lot of parents letting us know their child is ill/has an appointment after 8:30am. Could we remind parents that they need to notify school before 8:30am for illness and in advance for appointments. Any emergency appointments we understand cannot be made aware in a advance.

Medication in the Academy

Please can we remind parents that students are not permitted to carry any form of medication with them around the academy. If your child needs to take any medication during the academy day please complete a medical form and leave the medication with main office. Student will be able to access the medication when required at break and lunch (or as directed by GP). Thank you in helping us to support the safety of our students.

After School pick-ups

If for some reason you are delayed or your child misses their ride home please can you ask them to return to the front office where a member of staff will help them. As the dark nights approach, we do not want students waiting outside on the road or being uncertain what to do in this situation.

School Diner

We are delighted with the positive response we have received from students regarding the new menus and food in the school diner.

We continue to offer a free breakfast for all our students. The Breakfast Club is available between 8.00AM and 8.25AM and all students are welcome.

Please could I remind parents to make sure that you have placed sufficient funds on your child's Parent Pay account to help maintain the smooth running of the checkouts.

Reminder for PE Kit

A polite reminder that students must bring in their PE kit for all PE lessons. However hoodies are not acceptable due to health and safety.

Knowledge Organisers

Years 7, 8 and 9 all have their knowledge organisers. These are important documents that outline the core knowledge being studied in each of their subjects this half term. Students have been informed how the academy will be using the knowledge organisers, as well as how they can be used at home to help with their knowledge retention. Copies of the knowledge organisers and the six ways in which students can use them can be found on our website: www.cliffparkoa.co.uk/curriculum/knowledge-organisers

Please discuss the knowledge organisers with your child; it is important they are viewed by students as an essential part of their daily table service. As outlined in the letter and through assemblies, students will receive a sanction for not having their knowledge organiser with them for each lesson.

Punctuality Reminder

Students should be present on academy site by 8.30am

Punctuality plays a vital role in your child's academic success and overall well-being. Arriving to school on time ensures that students can fully participate in all aspects of the learning experience, including morning routines, important announcements, and instructional time. We understand that there may be occasional circumstances beyond your control that contribute to lateness. However, establishing and maintaining a consistent routine is essential in ensuring your child arrives at school on time each day.

Uniform donation request

We support our students and families by holding a bank of spare academy uniform for any student who needs it for whatever reason. We are asking for your help please. If you have any uniform that your child has grown out of and you would like to donate it to our uniform bank that would be amazing. Any donations can be given to our reception. Thank you in advance for any support you can give us.

SEND drop in reminder

If you have any concerns or questions around SEND, Parents and Carers are invited to attend a SEND drop in session which is held at the academy every Tuesday morning 8.30 - 8.50am.

Parent Drop In reminder

Parents / Carers are welcome to drop into the academy to meet with myself or a member of my Senior Team every Wednesday. **You do not need to make an appointment, please just come to reception between 8.50 and 9.30AM and we will be happy to meet with you.** I understand the crucial role that parents play in a community school and welcome discussion on any aspect of our school community.

Unfortunately we will not be able to see parents who drop into reception outside of this period except where there is a safeguarding concern.
